200 reasons to sing
In this Great South Land as one heart we'll bring
Inspired by all we have learned
We journey together

Turning our hearts and our minds
To Christ who has taught us love now
Renewed by the Spirit we'll go
We're learning together

We will live, love, reach out to the world
Bringing joy, hope and peace in God's Name
As your people, We have faith,
Faith in the Future

From humble beginnings we've grown, with faith in our mission
In a world so in need of real hope, we reach for tomorrow
Bringing the Gospel of truth
We carry the flame of the Spirit
Jesus, our way, and our life, guiding us through.

We will live, love, reach out to the world
Bringing joy, hope and peace in God's Name
As your people, We have faith,
Faith in the Future
